Audience Resources

Audience Member	Resource & Comment
Aarti Shah	Hello from Nairobi. I'm the producer of Oblique Life Global Goals podcast . Season 2 will be on sustainable cities.
Janine Finnell, Leaders in Energy	My organization, Leaders in Energy, is also working to develop a roadmap for the Washington DC region known as the DMV (to include Maryland and Virginia). We have a monthly Circular Economy Working Group coming up on 9/29 at 6 pm eDt. More info here for those who would like to attend or learn more.
Neil Pitcairn	Zero Waste Europe's Zero Waste Municipalities programme offers subsidised study tours, case studies and info exchanges of best practice, not just for waste management but for community engagement. They are working on a certification scheme.
Rosemary Cooper	The Share Reuse Repair Initiative collaborates with cities in various ways e.g., prototyping process with City of Vancouver and 3 external entities (2018/19); SHIFting Consumer Behaviour Program involved the City of Portland; and this Fall new webinar series with Vancouver Economic Commission to support SMEs to learn and connect, including a Policy event on Nov 23 to build understanding between government staff and SMEs. Register for the webinar series here.
Laura Järvinen, Sitra, the Finnish Innovation Fund	Looking for effective tools for teaching about the circular economy in primary school, upper secondary school or vocational school? Here are some teaching materials that are appropriate for many different subjects.
CCSP Reeve Consulting	For anyone who would like to learn about sustainable procurement collaboration in Canada - The Canadian Collaboration for Sustainable Procurement (CCSP) is a member-based network of 40 Canadian public-sector institutions working together to align their spending with their
